

12 May 2022

For whom it concerns,

During these times of crises in Ukraine many animals are suffering from abandonment or dispossession and need help. Likewise, many Ukrainian refugees (approximately 5 million people to date) are fleeing the country - many have brought their pets with them to bordering countries such as Poland, Romania and Moldova.

Blue Cross acknowledges the work being undertaken by the Australian War Animal Memorial Organization (AWAMO) to aid these refugee animals in-situ.

Yours faithfully

Chris Burghes
Chief Executive Officer
